

Our Timeline

Let's talk or meet

A call or meeting can go a long way in answering questions regarding our packages and services. We also love to get to know you and your wedding details better!

2

Decisions, decisions

We like to keep it simple. We offer 1 package that includes 3 videos!
One 45 second wedding gram teaser
One 2-3 song Music Video &
One Feature Length Documentary (app. 90 minutes)

There is only one decision you need to make:

How many hours of coverage would you like?
 Don't worry you can always add-on more time as we get closer to your wedding date and you have a better sense of your schedule.

We decided to 7

3

Signing On

Once the above is decided we will send you an electronic contract to review and either ask questions or click-to-sign online.

4

Make a 50% deposit and your date is officially on the books

Only after a contract is signed do we request payment. Secure credit card payments online (with no fee) are the preferred method of payment but we will accept checks.

5

Down Time

Time may go by without any contact but don't worry, we are here for you with any questions you, your family, planner or other vendors may have. We are always happy to provide our Certificate of Insurance to your venue or any other documents that are requested.

6

Logistics

1-2 Months before your wedding we ask you to fill-in your Tweed Sheet. This is our go-to document for the day and also our editor guide to understanding your preferences in your wedding films and song choices for the Music Video wedding film.

7

Meet your shooter

Because our shooters are professional wedding videographers, filming every weekend we find it is best to introduce you via email the Monday the week of your wedding so that only your wedding is their focus. It is our job to reconfirm the start time and location of your wedding as our final check and balance. If either party has questions on logistics this is the time to answer those questions.

8

Receive your Teaser

We now offer a short sneak peek within 31 days after your wedding date. These mini wedding grams are filled with quick highlights of your day and serve as a preview of what is to come in your Music Video Film and Feature Film. With a length of less than a minute and delivered to you by digital link. This will give you an opportunity to share a sneak peek with your friends and family.

9

Screening

65-90 days after your wedding a digital link of your Music Video Wedding Film will be emailed to you. You then have two weeks with any changes you'd like to see made, we just ask those are time coded for us.

10

Two weeks after approval of your Music Video

2 weeks from after you approve your music video you will then receive all of your films together. This includes your wedding gram teaser, music video, and feature length documentary that will be delivered to you on a thumb drive. Plus any other add-ons you purchased such as DVDs or raw footage that will be shipped to the address we re-confirm with you within two weeks.
